

RIGID CORE LUXURY VINYL

Inspired by the beauty and majesty of Mt. Rainier, this collection draws on the variety of high alpine landscapes. From the sleek neutrals to clean modern graining, these wood visuals offer a collection of options with soft cool browns to natural blondes. This 5.0 mm waterproof rigid core vinyl plank offers a sound absorbing backing to help create a quieter environment for comfort and livability.

BENEFITS

- Dimensionally stable rigid core construction
- Premium IXPE pad attached reduces sound transfer
- Scratch, scuff and stain resistant
- Waterproof core technology protects against spills
- Polyurethane finish provides extra scratch resistance
- Longer and wider planks offer a modern design
- No transitions required for rooms up to 50' x 50' or 2,500 sf
